In the Drawings

Please insert as new Figure 3, the attached sheet of drawing. Applicant is removing the drawing from the specification and inserting it as part of the "Drawings" section of the application, in accordance with U.S. patent practice, and at the request of the Examiner. This drawing appears on page 15 of the clean version of the substitute specification as originally filed, and accordingly, presents no new matter.

August 18, 2009

Remarks

Pursuant to a request from the Examiner, Applicant has amended the specification to include a description of the drawing that originally appeared on page 15 of the clean version of the substitute specification as filed on January 27, 2006. Further, applicant has removed this drawing from the specification, and inserted it as new Figure 3, in accordance with U.S. patent practice. This amendment does not necessitate further examination. This drawing appeared in the application as filed, and accordingly, no new matter has been added by this amendment.

The Examiner is hereby authorized to charge any fees associated with this Communication to Deposit Account No. 50-4364.

Respectfully submitted,

Date: August 18, 2009
